A pixelated illustration of a bulldozer with a large speech bubble. The bulldozer is dark blue with a yellow blade and a red base. It has a large speech bubble coming from its mouth. The background is a mix of brown, yellow, and red, suggesting a construction site or a city being demolished. The bulldozer is positioned in the center, facing right. The speech bubble is white with a black border and contains the text "WE'LL DO THIS BULLDOZER STYLE".

**WE'LL DO THIS

EVEN IN BASIC EQUIPMENT
MODE AT THE START, HE DIDN'T
DIE "IN ONE SHOT,"

UNKNOWN MAGIC

DAMAGE: 176-188(?)
CAUSE: ELECTRIC SHOCK

WHEN YOU CONSIDER
THE MARGIN OF ERROR, IT WAS
DANGEROUS. BUT THAT
MAGIC ATTACK'S POWER IS
VERY CLOSE TO THE WARRIOR'S
TOTAL HP.

EVEN WITH
SOME LIGHT ARMOR,
HE CAN'T DIE IN
ONE HIT.
